More Patches Than Brains

Agathocles

Hey you, yes you, staring at the mirror, to check if you look cool Hey you, yes you, sewing up those patches, to fit the HC school Hey you, yes you, your jacket full of patches seems your "entrance card" Hey you, yes you, DIY activist or a walking advertising board?

Your fucking dress code, is a fucking joke Wrapped up nicely, the content empty

More patches then brains A living painting in an empty scene
