

## No Remorse

Agathocles

Things happened in the past,  
Birkenau can't be undone,  
Neo-nazis rising again again,  
No remorse nor intelligence,  
Fascist bullshit, nazi-clans  
Another image for trendy bands  
Swastikas and SS-sign  
Hope they all will fucking die  
They can't feel no remorse  
'cause they can't fucking think  
Macho nazi-image  
Their posing stinks
