

Pricks at Gigs

Agathocles

Cash, is what they are playing for
Fame, is what they want more and more
Stars, is what they wanna be
Pricks, we got in every scene

Pricks at gigs, for the chicks
Pricks at gigs, how macho can you be?
Pricks at gigs, for the bucks
Pricks at gigs, ignore the fucks

Gear, too expensive and to show off
An air, sorrounds them like a stinking fart
Shit: is what the give the rest
Yeah, this pricks are simply the best
