

Reduced to an Object

Agathocles

Why those fucking lyrics
Based upon pornography
Degrading women
To inferiority
Do you see women
As objects to be used
Inferior, feeble creatures
Your male-ego's stool
Another fucked up value
Sets foot in our fragile scene
Females reduced to an object
To please males'superiority
Let's face it's fucking immoral
To rob someone dignity
The ones with a dick and balls
are no better than those called she
