

Until It Bleeds

Agathocles

All my energy went to you, but you dumbled me like a fool,
Your face, the place to hit, 'cause you treated me like shit.
This time I'm not gonna cut my wrists, but I'll use my fucking
fists.
This time I ain't gonna weep, but knock your face until it bleeds.

Knock your face until it bleeds.

Until It Bleeds

All my energy went to you, but you dumbled me like a fool,
Your face, the place to hit, 'cause you treated me like shit.
This time I'm not gonna cut my wrists, but I'll use my fucking
fists.
This time I ain't gonna weep, but knock your face until it bleeds.

Knock your face until it bleeds.
