

## No Such Thing

Agent Orange

You're kind of acting strange to me  
You really shouldn't be so rude  
I think I've seen you change your mind before  
I've never seen you change your mood  
Everybody get away from me  
Don't everybody push and shove  
Everybody stop asking me  
I'm telling you I'm not in love

(chorus)

There's no such thing  
It doesn't matter to me  
I know there's no such thing  
Isn't that a relief?  
To know there's no such thing

Hey you! Snap out of it  
It's time for you to act your age  
No you're never going to get your way  
So break into a screaming rage  
A good excuse to start a non-stop teenage romance  
Turning love into lust  
I'm only looking for somebody to talk to  
Or somebody I can trust

(chorus)
