

# Bad Girl

Agnez Mo

Aku dipikiran mu sampai mati...ee...ee  
Karna kau ragu2  
(Ku ingin bicara dengan mu sendiri)  
Kalau dirimu bisa sayangi aku  
Tunjuk kan yang ku suka  
Kau punya Hati...ee...ee..

I know that you care for me  
And I know that you're here for me  
Do you think you can handle me  
Can you handle me  
Can you handle me

Do you really wanna love somebody  
Are you ready for someone like me  
Do you really wanna love somebody  
Cause my love don't come easily

Imma bad girl, bad girl  
What you gonna do  
Bad Girl Bad Girl  
What you gonna do  
Bad girl, bad girl  
What you gonna do  
Bad Girl Bad Girl

Jangan kamu sesali  
Kalau nanti...ee...ee  
Kau dan aku tak bisa  
(Ku ingin bicara dengan mu sendiri)  
Kalau diri mu bisa sayangi aku  
Tunjuk kan yang ku suka  
Kau punya Hati...ee...ee..

I know that you care for me  
And I know that you're here for me  
Do you think you can handle me  
Can you handle me  
Can you handle me

Do you really wanna love somebody  
Are you ready for someone like me  
Do you really wanna love somebody  
Cause my love don't come easily

Imma bad girl, bad girl  
What you gonna do  
Bad Girl Bad Girl  
What you gonna do  
Bad girl, bad girl  
What you gonna do  
Bad Girl Bad Girl [x2]

Do you have what it takes to unlock my heart  
Do you know what you'll face if you tore it apart  
There's a tattoo on my heart boy  
And its written in the deep

Love is on the run  
If you find it  
Please arrest me

I know that you care for me  
And I know that you're here for me  
Do you think you can handle me  
Can you handle me  
Can you handle me

Do you really wanna love somebody  
Are you ready for someone like me  
Do you really wanna love somebody  
Cause my love don't come easily

Imma bad girl, bad girl  
What you gonna do  
Bad Girl Bad Girl  
What you gonna do  
Bad girl, bad girl  
What you gonna do  
Bad Girl Bad Girl [x2]
