

# Don't Go Breaking My Heart

Agnes

Calling your name  
Calling your name  
How did this happen?

I'm losing my way  
Think I'm going insane, I don't understand it, no  
The water runs deep, and it's taken me  
It's taken me so far away  
Walls caving in, I'm giving in  
Cause we're taking it all the way

I can't stop this now, noo  
Cause my world revolves 'round you  
My defense is down, yeaah  
And there's nothing I can do

So Don't Go Breaking My Heart  
Don't Go Breaking My Heart  
Don't Go Breaking My (My My) Breaking My Heart  
Don't Go Breaking My Heart  
Don't Go Breaking My Heaaaaart

Baby it's you, baby it's you  
You got me hopeless  
I'm losing my grip, what can I do  
You know I can't focus, no  
The water runs deep, and it's taken me  
It's taken me so far away  
Walls caving in, I'm giving in  
Cause we're taking it all the way

I can't stop this now, noo  
Cause my world revolves 'round you  
My defense is down, yeaah  
And there's nothing I can do

So Don't Go Breaking My Heart  
Don't Go Breaking My Heart  
Don't Go Breaking My (My My) Breaking My Heart  
Don't Go Breaking My Heart  
Don't Go Breaking My Heaaaaart

I know it's hard, I felt the pain  
Let's take a chance and start again  
I'm in the deep, I'm calling out  
Oh can't you hear, hear me now?  
Don't break my heart...  
Don't break my heart...

I can't stop this now, noo  
Cause my world revolves 'round you  
My defense is down (my defense is down), yeaah  
And there's nothing I can do

So Don't Go Breaking My Heart  
Don't Go Breaking My Heart  
Don't Go Breaking My (My My) Breaking My Heart

Don't Go Breaking My Heart  
Don't Go Breaking My Heaaaaart
