

# Everybody Knows

Agnes

Girl I know you've been deceived  
that your heart has been mistreated  
He took your dreams and turned them to stone (yeah)  
Hate to see you so upset but hey girl don't you forget  
that I'm here for you, you are not on your own

And you can always count on me and the reason  
is you see  
I'm never gonna lie, never wanna see you cry - oh  
sometimes

Everybody knows everybody's soul to soul  
Everybody knows this sound  
Crashing to the floor you said  
Pick the pieces up again  
I won't let you down

Don't you keep busy distressing  
The fun that you'll be missing  
is out there it's all waiting for you  
There's a dream with your name on it  
so put it in your pocket  
Jump right to the front of the queue

And you can always count on me and then the reason  
is you see  
I'm never gonna lie, never wanna see you cry - oh  
sometimes

(2x):

Everybody knows everybody's soul to soul  
Everybody knows this sound  
Crashing to the floor you said  
Pick the pieces up again  
I won't let you down

Stop the tears you cry  
I am here for you  
When waters running dry  
I'll be there for you  
Time after time - there's nothing I won't do  
It's the sound, it's the sound of my love for you

(2x):

Everybody knows everybody's soul to soul  
Everybody knows this sound  
Crashing to the floor you said  
Pick the pieces up again  
I won't let you down
