

## Got Me Good

Agnes

I Don't Remember  
A Word You Said  
But That November  
I can't Forget  
Intoxicated In Every Way  
There's Something About You  
My Friends Are Saying  
I'm Not The Same  
I Try To Fight It  
But I can't Get Away  
Look At Me Now  
Spinning Up And Down Losing My Ground  
What Is It About You  
I Got You Under My Skin  
Would You Mind Spending Time  
You Got Me Under Your Spell  
Got Me Good Can't You Tell  
I Wanna Feel This Forever  
I'll Try And Fight It But No One Else Would Do  
I Wanna Do This Together  
Like You Should  
You Got Me Good  
You Got Me Good  
Maybe I Shoul'n't  
You Say You Can't  
It's Complicated  
But You Don't Understand  
I'm Losing My Mind  
Every Time  
Every Time It's Always About You  
I Got You Under My Skin  
Would You Mind Spending Time  
You Got Me Under Your Spell  
Got Me Good Can't You Tell  
I Wanna Feel This Forever  
I'll Try And Fight It But No One Else Would Do  
I Wanna Do This Together  
Like You Should  
You Got Me Good  
You Got Me Good
