

# Let Me Carry You

Agnes

Hush said the angel  
Don't be lonely anymore  
I'm here right beside you  
Like so many times before  
Time and again  
I'm here to fill your heart  
Tonighy I'm gonna show you  
We're never far apart

Just like before  
When you don't wanna walk anymore

Let me carry you  
Let me be the one  
Oh, let me carry you  
Let me be the one  
Let me care for you  
I can heal the pain until it's gone  
Let me carry you, so you can carry on

Hush said the angel  
You can tell em like it is  
'Cause I'm not here to judge you  
All I offer you is this  
Time and again  
I've been here to fill your dreams  
Tonight I'm gonna show you  
Love is closer than it seems

Let me carry you  
Let me be the one  
Oh, let me carry you  
Let me be the one  
Let me care for you  
I can heal the pain until it's gone  
Let me carry you, so you can carry on

When you feel like holding me  
I'll be there for sure, for sure

Let me carry you  
Let me be the one  
Oh, let me carry you  
Let me be the one  
Let me care for you  
I can heal the pain until it's gone  
Let me carry you, so you can carry on
