

Discriminate Me

Agnostic Front

freedom of my life, give it back to me
I wanna live can't you see
discriminate me,
call me a bum but I'll survive,
it's your fault freedom of my life,
why make it a mess?
give me a job, I've got to survive
discriminate me,
why can't you help?
everybody thinks I'm a scum
freedom of my life,
give it back to me!
