

Frustration

Agnostic Front

What I don't want to ever
Have to think about again
What I don't want to ever
Have to think about again.
Well I don't want you tell me
About what I know I gotta do
Well I don't want you tell me
About what I know I gotta do.

Well I'm frustrated walking down the street
You don't know what I'm thinking in my head
When I'm frustrated walking down the street
You don't know what I really understand.

Is it something that you gotta say
Is it something that you gotta do
Is it something that you want from me.
Something for you.
