Frustration

Agnostic Front

What I don't want to ever Have to think about again What I don't want to ever Have to think about again. Well I don't want you tell me About what I know I gotta do Well I don't want you tell me About what I know I gotta do.

Well I'm frustrated walking down the street You don't know what I'm thinking in my head When I'm frustrated walking down the street You don't know what I really understand.

Is it something that you gotta say
Is it something that you gotta do
Is it something that you want from me.
Something for you.
