

I Can't Relate

Agnostic Front

I can't relate (4x)

I can't relate to the things you say
The life you live, the choices you make
I can't stand your fucking games

Make up your mind (2x)

Try to be cool, but you're so fake
It's your attitude that I hate
I can't stand your fucking games

Make up your mind (2x)

I can't relate (4x)
