It's Time

Agnostic Front

Time has come now, can do anything Gonna show you how I really am Time has come now, can say anything gonna show you what I'm gonna plan.

In the end when it's all said and done I'll be around, probably the only one In the end when it's said and done Gonna have my Time.

Time has time now - Can try anything Gonna show you how I really am

Time has come now - Can be anything Gonna show you what I'm gonna plan.

It's time
My time
Our time
For everyone to know.
