

The American Dream Died

Agnostic Front

Social system degradation
Multinational corporations
Another false flag operation
Military world domination

Secret government hypocrisy
This new world order, it's not for me
I don't want to live in a world like this
Full of lies: the American dream died

Natural resource exploitation
Nuclear power contamination
Collapse the dollar - devastation
Loss of life - depopulation

[Chorus]

We're living like we got a gun to our head
The threat of your freedom being taken away
(2x)
Don't fall in line or you'll be dead
You'll be dead! Dead! Dead!

[First Verse]

[Chorus]
