

## Harmless Hero

## Agonizer

Yes I've heard, what you've been talking  
It ain't the truth, you can't see inside of me  
Picture something, that come from somewhere dark  
Was left behind dead and rotten inside of me

I can see myself the harmless hero  
It hides somewhere deep inside of me

When it happened  
What the hell came of me  
I did everything  
Right way no one never told me  
Why I am  
Not worth of anything

Yes I hate just about everything  
Hate me back if that's the way you wanna feel  
(way you wanna feel)  
I don't care, I'm suicidal anyway  
So leave me here and let me bleed alone

I can see myself the harmless hero  
It hides somewhere deep inside of me

When it happened  
What the hell came of me  
I did everything  
Right way no one never told me  
Why I am  
Not worth of anything

When it happened  
What the hell came of me  
I did everything  
Right way no one never told me  
Why I am  
Not worth of anything
