

Chains Of Love

Agonize

(i am pain...)

Love means nothing
Love means hate

Love seems to separate your dreams from your fate

Love is fear
Love is pain

Love is the enemy that drives you insane

Love is dead

Love is sick
Love is dark

Love is the curse that tears you apart

Love is sin
Love is cold

Love is the reason when your soul is sold

(i am pain...)

Free your mind
Free your soul from the chains of love the chains of love
Free your mind
Free your soul from the chains of love the chains of love

I don't believe
I don't believe in love
I don't believe.
