

# Drowning In Isolation

Agonoize

I'm drowning  
In isolation

I'm drowning  
In isolation

I'm drowning  
In isolation

The wind is cold  
And freezing

Sitting here alone  
Suffering from your turmoil

You're going to talk,  
you're going to share thy thoughts

...alone  
Surrounded by silence

I'm drowning  
In isolation

All that remains  
Shattered grounds

I'm drowning  
In isolation

Suffering  
Things on our tombs ???

I'm drowning  
In isolation

I'm drowning  
In isolation

The shimmering light  
Avert our eyes

Days go by  
Nothing...change

The vows  
Of silence

Broken dreams  
Wishes unfulfilled

We need someone  
I go insane

Time for hell ???  
Struggling

Try killing the darkness  
Again

I live to die  
I live to die

I'm drowning  
In isolation

All that remains  
Shattered grounds

I'm drowning  
In isolation

Suffering  
Things on our tombs ???

I'm drowning  
In isolation

I'm drowning  
In isolation

I'm drowning  
In isolation
