

Man-made-life for man-made-world  
we better watch out, 'cause we never learn  
to treat life with respect  
and we don't know what to expect  
if we break all  
how far do you go?  
how far do you go?

Become a part of creation  
what are we waiting for?  
Become a part of creation,  
in just one day.  
I'll make you a god.

Secrets of life,  
a secret revealed.  
All about life and death.  
DNA and we are holding the key and knowledge  
that holds responsibility.  
Why do we care what we create?  
why do we care what we create?

We create and we destroy,  
just to feed our needs.  
Science needs success,  
creating the ? .

Become a part of creation,  
what are we waiting for?  
Become a part of creation.  
Become a part of creation.  
what are we waiting for?  
Become a part of creation,  
in just one day.

I'll make you a god  
in just one day!  
In just one day,  
I'll make you a god!

Become a part of creation,  
what are we waiting for?  
Become a part of creation.  
Become a part of creation,  
what are we waiting for?
