Open The Gate

Agonoize

When the three planets have an eclipse, a black hole like a doo r is open. Evil comes, spreading terror and chaos. The ultimate evil. Evil comes... evil comes. Open the gate of hell The ultimate evil Open the gate of hell Open the gate of hell Open the gate of hell Ultimate evil The ultimate evil Time goes by Relationships, they die No more contracts to force the world In mind I keep human words of hope and loyality My strenght to carry on will disappear Open the gate of hell Open the gate of hell Open the gate of hell The ultimate evil The ultimate evil Tonight I keep human words of hope and loyality My strenght to carry on will disappear Open the gate of hell Open the gate of hell Open the gate of hell The ultimate evil
