

## Paranoid 2007

Agonoize

I live in a lie, don't ask me why  
Lay in my bed with a gun to my head  
Whispering voices in my head  
Running shadows follow me  
I could not feel right from wrong  
You 'n' me, baby, it can't be real

Paranoid, paranoid destruction  
Paranoid, paranoid destruction

I bring you death  
Drink your blood  
Deplore your soul  
Decapitate you

I live in a lie, don't ask me why  
Lay in my bed with a gun to my head

Paranoid, paranoid destruction  
Paranoid, paranoid destruction

Paranoid, paranoid destruction  
Paranoid, paranoid destruction

Paranoid, paranoid destruction  
Paranoid, paranoid destruction
