Paranoid 2007

I live in a lie, don't ask me why Lay in my bed with a gun to my head Whispering voices in my head Running shadows follow me I could not feel right from wrong You 'n' me, baby, it can't be real

Paranoid, paranoid destruction Paranoid, paranoid destruction

I bring you death Drink your blood Deplore your soul Decapitate you

I live in a lie, don't ask me why Lay in my bed with a gun to my head

Paranoid, paranoid destruction Paranoid, paranoid destruction

Paranoid, paranoid destruction Paranoid, paranoid destruction

Paranoid, paranoid destruction Paranoid, paranoid destruction Agonoize
