Agonoize

When she told me lot's of lie's
Now I feel I Sacrifice
Feelings change hitten by hate
No way back now it's to late

She's the Devil with a black sheep Heart
All the Time I thought it's right what's wrong
A walking death empty inside
Nothing is left only black and white

Now I hate you! I fucking hate you!
Cause this Feeling has changed

Now I hate you! I fucking hate you!
That's when Love turns to hate

Now I hate you! I fucking hate you!
Cause this Feeling has changed

Now I hate you! I fucking hate you!
That's when Love turns to hate

Love turns to hate
Love turns to hate
Love turns to hate

I can't look into her eyes
I'll feel fucking hypnotized
She can bring you to your knees
Make you beg in this She's pleased

She's got the look
She's got the look
She's got the look that kills

She's got the look
She's got the look
She's got the look that kills me

She's got the look
She's got the look
She's got the look that kills

She's got the look
She's got the look
She's got the look that kills me

Now I hate you! I fucking hate you!
Cause this Feeling has changed

Now I hate you! I fucking hate you!
That's when Love turns to hate

Now I hate you! I fucking hate you!
Cause this Feeling has changed

Now I hate you! I fucking hate you!

That's when Love turns to hate

Love turns to hate

Love turns to hate

Love turns to hate
