

To Paradise

Agonoize

I'll take you to paradise

I'll take you to paradise
Close your eyes, you will feel no pain
Take my hand you will be paralyzed
My hands on your neck down in the rain
Down in the rain....

Your eyes don't see
What you mean to me
So Blind... help me
I'm falling complete

I'll take you to paradise
I'll take you to paradise
Your eyes don't see
What you mean to me
So Blind... help me
I'm falling complete
