

## To Paradise

Agonoize

I'll take you to paradise

I'll take you to paradise  
Close your eyes, you will feel no pain  
Take my hand you will be paralyzed  
My hands on your neck down in the rain  
Down in the rain....

Your eyes don't see  
What you mean to me  
So Blind... help me  
I'm falling complete

I'll take you to paradise  
I'll take you to paradise  
Your eyes don't see  
What you mean to me  
So Blind... help me  
I'm falling complete
