

Contaminated Drug Supply

Agoraphobic Nosebleed

Dusted nuggs, spores and smoke pass through paper to the lung.
Medical marijuana abandoned for marinol anthrax inhalers.
Coke-raw nose, bleeding sinus infection
from a mutated smallpox vaccine detected and suspected in economic collapse.
3 fatal inter-muscular injections of anthrax
and heroin sends europe running to u.s.
Develped methadone contamination of "unknown" origin.
Antibiotic rehabilitation - its kick or die, kick and die, kicking and wheezing.
Media fodder.
