

## Little Town Of Bethlehem

### Agoraphobic Nosebleed

Doomed labels all w/the wolverine blues  
Shepherd their flock of sheep  
To god city to be forever "Entombed"  
By lord, savior producer, douche  
Fuck Kurt Ballou  
Bring your sound down to clowntown  
Do you hear what I hear?  
Your sound is now his sound  
You're paying for the name
