## **The Compensation Phenomenon**

## **Agoraphobic Nosebleed**

A interesting but horrible world shall come.

This is the true meaning of the return to the righteous way as predicted by buddha.

The crisis of perishing, a ending.

The collapse of civilization is imminent.

The world shall enter severe times, enter the compensation phen omenon.

The compensation phenomenon will become more serious and wide s pread.

In the human world chaotic and abhant phenomenon will ceaseless ly increase.

A well feed man on the street will be someone to avoid.
