

# Chokehold

Aiden Grimshaw

Rolling...

Wooo...

Is this the soul that I'll die with?  
Or a love that I'll buy in?  
I'm trying to find myself an answer

Is this a heart I can trust?  
And slam the door as I rushed in  
I'm wondering how I can live without you

Ahhhhh ahh ahhhhh ahh...  
Falling in love with you.  
Ahhhhh ahh ahhhhh ahh...  
Falling in love with you.

It's just a matter of time  
Before I know wrong from right  
Gonna fight for a while until it finds me

Can't help but dwell on the past  
Don't make a song in the dance  
Take a chance until our heart is broken

Ahhhhh ahh ahhhhh ahh...  
Falling in love with you.  
Ahhhhh ahh ahhhhh ahh...  
Falling in love with you.

Oh, Cupid got me in a chokehold  
I tried to run but I was too slow  
Cupid got me in a chokehold  
I tried to run but I was too slow, oh

Oh, Cupid got me in a chokehold  
I tried to run but I was too slow  
Cupid got me in a chokehold  
I tried to run but I was too slow, oh

Another night in the cold  
And now the question unfolds  
All alone, writing quotes all over paper

All of these thoughts trapped inside me  
Wrapped around me so tightly  
It's frightening how I can't live without you

Ahhhhh ahh ahhhhh ahh...  
Falling in love with you.

Oh, Cupid got me in a chokehold  
I tried to run but I was too slow  
Cupid got me in a chokehold  
I tried to run but I was too slow, oh

Oh, Cupid got me in a chokehold  
I tried to run but I was too slow

Cupid got me in a chokehold  
I tried to run but I was too slow  
I tried to run but I was too slow  
I tried to run but I was too slow

Oh, love  
Who you waiting for?  
Me  
I'm too slow  
Wait for me  
For me

Oh, love  
Who you wait?  
Me

Oh, Cupid got me in a chokehold  
I tried to run but I was too slow  
Cupid got me in a chokehold  
I tried to run but I was too slow, oh

Oh, Cupid got me in a chokehold  
I tried to run but I was too slow  
Cupid got me in a chokehold  
I tried to run but I was too slow
