Isolated mind, a teardrop fallen softly calling someone wait for me
Imitated lines, you're staring at the rainbow but your eyes are colorblind

This island is suicidal ideas supply the fears inside $\ensuremath{\mathsf{us}}$

I open up my thoughts at night only walls will hold me in $% \left(1\right) =\left(1\right) +\left(1\right) +$

I'll give you everything
I'll give you everything

Let it hurt again let it hurt again
Behind my eyes I'm terrified now you're gone, now
you're gone
Let it hurt again let it hurt again
Behind my eyes I'm terrified now you're gone, now
you're gone

Fascinating shine, a frozen star that's chosen just to lighten up the sky Animated highs, you're searching for the answers but the question is why

This island is suicidal ideas supply the fears inside us

I open up my thoughts at night only walls will hold me in $% \left(1\right) =\left(1\right) +\left(1\right) +$

Let it hurt again let it hurt again
Behind my eyes I'm terrified now you're gone, now
you're gone
Let it hurt again let it hurt again
Behind my eyes I'm terrified now you're gone, now
you're gone

You used to love me
Do you still love me?
You used to hold me
Do you still hold me?
Now you're gone, now you're gone, now you're gone

You used to love me
Do you still love me?
You used to hold me
Do you still hold me?
Now you're gone, now you're gone, now you're gone

Let it hurt again let it hurt again Behind my eyes I'm terrified now you're gone, now you're gone
