Cry Little Sister

Aiden

A last fire will rise behind those eyes Black house will rock, blind boys don't lie Immortal fear, that voice so clear Through broken walls, that scream I hear

Cry, little sister - Thou shall not fall
Come to your brother - Thou shall not die
Unchain me, sister - Thou shall not fear
Love is with your brother - Thou shall not kill

Blue masquerade, strangers look on When will they learn this loneliness? Temptation heat beats like a drum Deep in your veins, I will not lie

Little sister - Thou shall not fall Come to your brother - Thou shall not die Unchain me, sister - Thou shall not fear Love is with your brother - Thou shall not kill

My Shangri-Las
I can't forget
Why you were mine
I need you now

Cry, little sister - Thou shall not fall
Come to your brother - Thou shall not die
Unchain me, sister - Thou shall not fear
Love is with your brother - Thou shall not kill
