

## Fifteen

Aiden

Fifteen I'm strung out  
once again and kicked out  
I think well I'm on my own,  
I'm on my own now,  
sixteen and I said goodbye  
to those I knew I'll never see  
well I can't see home  
I cant see home now  
when I look at the path  
That I chose and I'll say to you  
Live Fast Die Young  
we'll stay out on the run  
so live fast and die young  
Live Fast Die Young  
we'll stay out on the run  
so live fast and die young  
Seventeen I'm sleepin on the  
streets and no hope  
I think well I'm in the cold  
I'm in the cold now,  
I look to a god I said  
in my own life  
I'll never see well  
I can't see home  
I can't see home now  
when I look at the path  
that I chose and I'll say to you.  
Live Fast Die Young  
we'll stay out on the run  
so live fast and die young  
Live Fast Die Young  
we'll stay out on the run  
so live fast and die young  
We'll cherish every moment last forever  
We'll cherish every moment now  
We'll cherish every moment last forever  
We'll cherish every moment now  
Go Go Go Go  
Live fast and die young
