

## Freeway

Aimee Mann

You've got a lot of money but you can't afford the freeway  
The road to Orange Country leaves an awful lot of leeway  
Where everyone's a doctor or a specialist in retail  
They'll sell you all the speed you want if you can take the blackmail

You know it  
I know it  
Why don't you  
Just show it  
You got a lot of money but you can't afford the freeway  
You got a lot of money but you can't afford the freeway

You've got a lot of money but you cannot keep your bills paid  
The sacrifice is worth it just to hang around the arcade  
You found yourself a prophet but you left him on the boardwalk  
Another chocolate Easter bunny, hollowed out by your talk

You know it  
I know it  
Why don't you  
Just show it  
You got a lot of money but you can't afford the freeway  
You got a lot of money but you can't afford the freeway

And everything I do is wrong  
But at least I'm hanging on  
You got a lot of money that you can't afford  
You got a lot of money that you can't afford  
You got a lot of money but you can't afford the freeway  
You got a lot of money but you can't afford the freeway  
You got a lot of money but you can't afford  
You got a lot of money but you can't afford
