

Guys Like Me

Aimee Mann

Guys like me
we don't know how it feels
absentee even closing the deal
but every player there's a ... in the funnel real(?)
but never with guys like me

cuz guys like me
we look good at the game
you'll agree
with the odds on the ...
and put your money on the
bona fide heavyweight
and take it off guys like me
and take it off guys like me

the more you close but never really
looking warm but feeling chilly
you'll describe us as impassioned
when it's just a front we fashion

cuz guys like me we all vow to become
clear and free of the fife and drum
walk the circulation ... all completely ...
let's hear it for guys like me
let's hear it for guys like me
let's hear it for guys like me
