High on Sunday 51

Aimee Mann

The monkey knows how you'll react Creating want by holding back Like some reverse pyromaniac Let me try, baby, try

I propped my window up and then
I turned my back to lure you in
To rifle through what I might have been
Let me try, baby, try

Baby please, let me begin Let me be your heroin Hate the sinner but love the sin Let me be your heroin

We have crossed the Rubicon
Our ship awash, our rudder gone
The rats have fled but I'm hanging on
Let me try, baby, try

Baby please, let me begin Let me be your heroin Hate the sinner but love the sin Let me be your heroin
