

Pavlov's Bell

Aimee Mann

Oh Mario, sit here by the window
Stay here till we reach Idaho
And when we go, hold my hand on take off
Tell me what I already know
That we can't talk about it
No, we can't talk about it

Because nobody knows that's how I nearly fell
Trading clothes and ringing Pavlov's bell
History shows there's not a chance in hell

But, oh, Mario, we're only to Ohio
It's kind of getting harder to breath
I won't let it show, I'm all about denial
But can't deny all that need belief
That we could talk about it
But we can't talk about it

Because nobody knows that's how I nearly fell
Trading clothes and ringing Pavlov's bell
History shows there's not a chance in hell

Oh Mario, why if this is nothing
I'm finding it so hard to dismiss
If you're what I need then only you can save me
So come on baby give me the fix
And let's just talk about it
I've got to talk about it

Because nobody knows that's how I nearly fell
Trading clothes and ringing Pavlov's bell
History shows there's not a chance in hell

That's how I nearly fell
By ringing Pavlov's bell
So baby show and tell

Oh Mario, Mario
