

# That's Just What You Are

Aimee Mann

(one, two)

In our endeavor we are never seeing eye to eye  
No guts to sever so forever may we wave good-bye  
And you're always telling me that it's my turn to move  
When I wonder what could make the needle jump the groove  
I won't fall for the oldest trick in the book  
So don't sit there and think you're off of the hook  
By saying there is no use changing  
'Cause that's just what you are  
That's just what you are

Acting steady always ready to defend your fears  
What's the matter with the truth did I offend your ears  
By suggesting that a change might be a thing to try  
Like it would kill you just to try and be a nicer guy  
It's not like you would lose some critical piece  
If somehow you moved point A to point B  
Maintaining there is no point Changing  
'Cause that's just what you are  
That's just what you are

Now I could talk to you 'til I'm blue in the face  
But we still would arrive at the very same place  
With you running around and me out of the race  
So maybe you're right nobody can take  
Something older than time and hope you could make  
It better that would be a mistake

So take it just so far  
'Cause that's just what you are  
That's just what you are  
That's just what you are

Acting steady always ready  
To defend your fears  
(that's just what you are)  
What's the matter with the truth  
Did I offend your ears  
(that's just what you are)

You're like a sleepwalking man  
It's a danger to wake you  
(that's just what you are)  
Even when it is apparent  
Where your actions will take you

(that's just what you are)  
And that's just what you are  
(that's just what you are)  
And that's just what you are  
(that's just what you are)  
That's just what you are ?
