## You Could Make a Killing

## **Aimee Mann**

There is nothing that competes with habit And I know its neither deep nor tragic Its simply that you have to have it

So you can make a killing Oh you can make a killing Oh you can make a killing

I wish I was both young and stupid Then I too could have the fun that you did Till it was time to pony up what you bid

So you could make a killing Oh you could make a killing Oh you could make a killing

I could follow you and search the rubble Or stay right here and save myself some trouble Or try to keep myself from seeing double

Or I could make a killing
Or I could make a killing
Oh I could make a killing
Yeah I could make a killing
I could make a killing
