Highway Legion

Engines ignite Roll across the sky Wheels in flames Blazing through fire Glory and might No one can deny Our destiny Reach for the stars Spirits roar in the night We ride Highway legion - ride as one We will fly up to the sun Highway legion - our noise is art We will tear the road apart Living on the run Our souls are drawn to metal forever Spirits roaring tonight We ride Highway legion - ride as one We will fly up to the sun Highway legion - our noise is art We will tear the road apart Ride on Let the metal carry you home Embrace the music of steel The sound and the thrill Highway legion - on the run We will fly out to the sun Highway legion - our noise is art We will tear the road apart We ride as one We will fly up to the sun Our noise is art We will tear the road apart
