Chances

Air Supply

There's a chance you will be there I'd like to know the truth, I'll find it out somehow The chances aren't too strong A chance you will be there, please be there alone Help me speak of love, chances aren't enough Ones too good to miss, chances aren't too strong A chance is all there is

There's a chance you will be there Wondering what to do, how to play my role I'll leave it up to you If I disguise my smile, it gives too much away What if we can't speak, what then shall I say? Don't you be too long, something has gone wrong The chances are all gone
