

# Even the Nights Are Better

Air Supply

I, I was the lonely one  
Wondering what went wrong  
Why love had gone  
And left me lonely

I, I was so confused  
Feeling like I'd just been used  
Then you came to me  
And my loneliness left me

I use to think I was tied to a heartache  
That was the heartbreak  
But now that I've found you

Even the nights are better  
Now that we're here together  
Even the nights are better  
Since I found you  
Even the days are brighter  
When someone you loves beside you  
Even the nights are better  
Since I found you

You, you knew just what to do  
Cause you had been lonely too  
And you showed me how  
To ease the pain

And you did more  
Than mend a broken heart  
Cause now you've made a fire start  
And I, I can see that you feel  
The same way

I used to think I was tied to a heartache  
That was the heartbreak  
But now that I've found you

Even the nights are better  
Now that we're here together  
Even the nights are better  
Since I found you  
Even the days are brighter  
When someone you loves beside you  
Even the nights are better  
Since I found you
