Goodbye

I can see the pain living in your eyes And I know how hard you try You deserve to have so much more I can feel your heart and I sympathize And I'll never criticize all you've ever meant to my life

I don't want to let you down I don't want to lead you on I don't want to hold you back From where you might belong

You would never ask me why My heart is so disguised I just can't live a lie anymore I would rather hurt myself Than to ever make you cry There's nothing left to say, but goodbye

You deserve the chance at the kind of love I'm not sure I'm worthy of Losing you is painful to me

I don't wanna let you down I don't wanna lead you on I don't wanna hold you back From where you might belong

You would never ask me why My heart is so disguised I just can't live a lie anymore I would rather hurt myself Than to ever make you cry There's nothing left to say, but goodbye

You would never ask me why My heart is so disguised I just can't live a lie anymore I would rather hurt myself Than to ever make you cry There's nothing left to try Though it's gonna hurt us both There's no other way than to say goodbye
