

Here I Am

Air Supply

Here I am playing with those
Memories again
And just when I thought time has
Set me free
Those thoughts of you keep taunting me
Holding you, a feeling I never outgrew
Though each and every part of me has tried
Only you can fill that space inside
So there's no sense pretending
My heart it's not mending

R: Just when I though I was over you
Just when I though I could stand
On my own
Oh baby those memories come
Crashing through
And I just can't go on without you

On my own I've tried to make the best of it alone
I've done everything I can to ease
The Pain
But only you can stop the rain
I just can't live without you
I miss everything about you

R:

Go on without
It's just no good without you
Without you, without you, without you

Oh baby those memories come
Crashing through
And I just can't go on without you
