

I Can Wait Forever

Air Supply

When you say, I miss the things you do,
I just wanna get back close again to you.
But for now, your voice is near enough,
How I miss you, when I miss you, love.
And though,
All the days that pass me by so slow
All the emptiness inside me flows, all around,
And there's no way out
I'm just thinkin' so much of you,
There was never any doubt...

I can wait forever,
if you say you'll be there, too
I can wait forever if you will,
I know it's worth it all
To spend my life alone with you.

When it looked, as though my life was wrong,
You took my love and gave it
somewhere to belong
I'll be here, when hope is out of sight,
I just wish that I was next to you tonight,
and oh
I'll be reachin' for you even though,
You'll be somewhere else, my love will go
like a bird, on it's way back home
I could never let you go,
and I just want you to know...

I can wait forever,
if you say you'll be there, too
I can wait forever if you will,
I know it's worth it all
To spend my life alone with you.

Where are you now?
Alone, with the thoughts we share
Keep them strong somehow,
And you know, I'll always be there...

I can wait forever,
if you say you'll be there, too
I can wait forever if you will,
I know it's worth it all
To spend my life alone...

I can wait forever,
if you say you'll be there, too,
I can wait forever if you will,
I can wait forever or more...
I can wait forever...
