

## Just as I Am

Air Supply

I've had a lot of big dreams  
I've made a lot of bad moves  
I know you could walk away  
But you never do

I've met a lot of cold hearts  
I've learned to smile and deceive  
I know I'm hard to be around  
But you never leave

I'm not easy to understand  
But you hold out your hand

And you say you love me  
Just as I am  
You always treat me  
The best that you can  
You say you want me, need me  
Love me, baby  
Just as I am, just as I am

I've made a lot of heartaches  
I've found a lot of closed doors  
When all the others turn away  
You love me more  
You love me more

I'm not easy to understand  
But you hold out your hand

And you say you love me  
Just as I am  
You always treat me  
The best that you can  
You say you want me, need me  
Love me, baby  
Just as I am, just as I am

I want to love forever  
To keep our world together  
And be the best that I can be  
Baby, every time the world caves in on me

And you say you love me  
Just as I am  
You always treat me  
The best that you can  
You say you want me, need me  
Love me, baby  
Just as I am, just as I am
