

Lonely Is the Night

Air Supply

Really thought that I could live without you
Really thought that I could make it on my own
Sent you away, yeah I said, "I didn't need you"
I let you go, I let you go, I let you go

Now I'm so lost without you, now you're not here and now I know
Lonely is the night when I'm not with you
Lonely is the night ain't no light shining through
Till you're in my arms till you're here by my side
Lonely am I

Never thought that I, that I would need you
Never thought that I, that I'd be missing you
Gotta get you back I've just got to find a way now
To let you know, to let you know, to let you know

That I'm so lost without you, now this world it ain't just right
Lonely is the night when I'm not with you
Lonely is the night ain't no light shining through
Till you're in my arms till you're here by my side
Lonely am I

I can make it through the day, I can fake it okay
I just smile and pretend and I tell myself I'll be alright
But lonely is the night, lonely is the night

Now I'm so lost without you, now you're not here and now I know
Lonely is the night when I'm not with you
Lonely is the night there's no light shining through
Till you're in my arms, till you're here by my side
Lonely is the night

Lonely is the night when I'm not with you
Lonely is the night there's no light shining through
Till you're in my arms, till you're here by my side
Lonely is the night

Lonely is the night when I'm not with you
Lonely is the night there's no light shining through
Till you're in my arms, till you're here by my side
Lonely is the night
