

Lost In Love

Air Supply

I realize the best part of love is the thinnest slice

And it don't count for much
but I'm not letting go
I believe there's still much to believe in

So lift your eyes if you feel you can
Reach for a star and I'll show you a plan
I figured it out
What I needed was someone to show me
You know you can't fool me
I've been loving you too long
It started so easy
You want to carry on (want to carry on)

Lost in love and I don't know much
Was I thinking aloud

Fell out of touch
But I'm back on my feet
Eager to be what you wanted

So lift your eyes if you feel you can
Reach for a star and I'll show you a plan
I figured it out
What I needed was someone to show me

You know you can't fool me
I've been loving you too long
It started so easy
You want to carry on (want to carry on)

You know you can't fool me
I've been loving you too long
It started so easy
You want to carry on (want to carry on)

Now I'm lost, lost in love, lost in love, lost in love
Now I'm lost, lost in love, lost in love, lost in love
Lost in love, lost in love, lost in love
Lost in love, lost in love, lost in love
