Strangers in Love

Strangers in love must a star fall from the sky It's stranger than most and stranger when we try To understand it all, why we fall, As strangers in love, Strangers in love.

Straight from the farm and a world apart and ready for Someone to take her arm, she's never seen a movie What an innocent face, what an innocent place.

It's natural, it's an easy thing to do Natural, it's an easy thing to do.

Strangers in love and a star fell from the sky Don't know which way to turn, don't know which boat to burn Don't know which way to turn, don't know which boat to burn.
